Providing Opportunities for Tomorrow's Christian Leaders.

June 3, 2009

Dear Friends,

It is hard to believe we have completed another year at Wake Christian Academy. While there is much turmoil in the world, we must remember that God is sovereign and provides for His children. No matter the challenges we have encountered over the last year, we stand basking in the glory of God and His grace for another successful year. On May 28, we witnessed the graduation of the class of 2009. These young people leave Wake Christian Academy ready to charge into the world and make a difference for the kingdom of God.

God is good, and we give thanks for His many blessings. In a year when raising money for financial aid might seem like an unreal challenge, God is allowing you to participate in the lives of others. In addition, He has given us creative new ways to meet the challenge. This year we had the opportunity to raise additional funds through some very generous matching donations and pledges. Due to these gifts, our 3rd Annual Franklin Pierce Educational Foundation Golf tournament was able to be our most successful, raising over \$18,000.

God is in control; because of this our faith should be unshakeable, our resolve should be unflappable and we should be thankful. Romans 1:21 seems to reflect our current society, "Because that, when they knew God, they glorified Him not as God, neither were thankful." We here at the Franklin Pierce Educational Foundation never want this verse to be descriptive of us. We praise the Lord for your prayers and financial support. We are thankful that you are helping us impact the lives of young people who will be the next generation of leaders in our homes, churches, and communities. Please help us continue to grow by sharing our vision and mission with your friends, neighbors and business associates.

Thank you for your support. It is appreciated and will be used to further the kingdom of the Lord through the ministry of Wake Christian Academy.

In Christ,

H. Allan Swicegood
President, Franklin Pierce Educational Foundation
