Educational Foundation

*Providing Opportunities for Tomorrow's Christian Leaders.*

July 6, 2009

Dear Friends,

It is my pleasure to have this opportunity to write some words of thanks and encouragement to you. Your involvement in the Foundation and in the lives of students at Wake Christian Academy is helping to do wonderful things!

God tells us these His Words through Solomon in the book of Ecclesiastes 4:9-12: *"Two are better than one, because they have a good reward for their toil. For if they fall, one will lift up his fellow. But woe to him who is alone when he falls and has not another to lift him up! Again, if two lie together, they keep warm, but how can one keep warm alone? And though a man might prevail against one who is alone, two will withstand him—a threefold cord is not quickly broken."* I have to confess, I don't know the Old Testament nearly as well as I would like to. But, I came across this verse in Ecclesiastes and it really spoke to my heart. We are all in this together – partners between the home, the school, and the church, providing Christ centered education to growing children. None of us can do all of this alone, but many people together can accomplish this task. Isn't this true?

This past year we've seen many challenging times. There have been a lot of changes. Despite all of this, and with the support of people like you, the Foundation was able to end our fiscal year with even more support than last year. This provides more direct assistance to students for financial aid and capital improvement projects around the school. We have more people volunteering to come forth, making "our cord" stronger. What a wonderful blessing!

Well, I hope that you are having a wonderful summer, perhaps taking some time off from the busy routine of the day. Many families travel during this time of the year, and I pray that you have a safe and enjoyable trip. In this time I hope that you are able to spend some time in God's word.

Thank you once again for being a part of the Foundation. Keep learning, growing, studying, and living God's Word. Let's do this together for Him.

Sincerely,  
Robert Frechette
